

## ***GDPU Print Exhibition 2009-2010***

The summary results from the annual print exhibition which took place on Sunday 27<sup>th</sup> January are attached. Congratulations to all the winners. Full results will be emailed to clubs. As you may be aware the exhibition space in Princes Square, Glasgow is not being made available to the GDPU this year. The Centre is to undergo refurbishment works and with a new management team they will be looking at commercial terms for rental of this space. We were only made aware of this mid way through January and are extremely disappointed at this. It has not been possible to secure an alternative venue that can meet the needs of the exhibition at this short notice. We are actively looking for alternative venues to consider for next year and I would ask for your support and input. If you have any viable suggestions – Please email the details to me and I will make appropriate enquires.

You will also see from the results that the entry this year is substantially down on previous year's entries. As a result of this the committee made the decision that the judging for the day would be done by all 3 judges. Our thanks go to Bob Collins, Jim Dyas & Stan Miller for their support on the day.

As a result of not having the exhibition on display this year we are looking to host these images in a gallery on the GDPU website. I am looking for your assistance in obtaining digital copies of the top images from each category and all the Acceptances – (Score of 11 or above). If the images (800 by 600 pixels) can be emailed to me I will arrange for these to be posted to the website. Email [v40mav@yahoo.co.uk](mailto:v40mav@yahoo.co.uk)

I will be making arrangements for the images to be returned to the clubs at the next delegates meeting which is scheduled for 9<sup>th</sup> March. If your members require these beforehand please let me know and we can discuss alternative arrangements.

Please do not hesitate to contact me if you have any questions.

Hugh A Steele  
Secretary GDPU
